#### **4. RATIONALE FOR THE INCLUSION OF CONTENT AND TEACHING APPROACH**

Today's classrooms present a diversity of students, including students who are gifted and those who have language barriers, learning difficulties, and disabilities. Thus, teachers must make accommodations and modifications to meet the needs of the diverse range of learners in their classrooms. This course aims to provide not just an overview of inclusion principles and policies but will also provide you with the knowledge of how to make relevant curriculum adjustments and adaptations using Universal Design for Learning Principles, along with a range of teaching strategies to facilitate students' access to the general education curriculum.

#### **5. TEACHING STRATEGIES**

Explicit teaching including reading and/or listening to audio-visual materials to foster interest and support learning.

Structured occasions for critical reflection on issues raised in the course and on others' ideas.
