* <u>Co-op degrees in Business</u>:
The 4 year Co-op degree programs have stand-alone UAC codes. Students applying for Co-op (ACC, ACT, BIS, CIS, FIN, MKT) will need to list this code in their preferences.

IMPORTANT: If students want to come to UNSW to do Business even if they are unsuccessful in gaining a Co-op scholarship, they will also need to list the standard UNSW degree UAC code in their preference list Last updated: May 2024

Co-op Program	Co-op Program ID	Co-op Degree name	UAC Code	Standard degree name	UAC Code
UNSW Business School					
Accounting & Business Management	ACC	B Commerce (Co-op)	424600	B Commerce	424000
Marketing	MKT				

Commerce Information Systems from 44 4.88 1.4425125.36 612.2Si B Information

				Systems	424500
Finance & Banking	FIN	B Commerce (Co-op) (Honours)	424601	B Commerce	424000
In all other Co-op Programs, in the faculties of Engineering, and Science, there is no specific UAC code, students need only list the standard UNSW degree UAC code in their preference list					

Co-op Program	Co-op Program ID	Degree name	UAC
		(Electrical or Telecommunications)
