The lectures will cover briefly all the theoretical principles required to complete this course and to also carry out necessary preliminary calculations for an initial study of the design project. Further, some c

The table below gives details of each assignment task and any subcomponents, whether it is individual or teamwork and the

Applying for special consideration does not mean that you will be granted additional assessment or that you will be awarded an amended result. The latter will be granted at the discretion of teaching staff and will be considered only in exceptional circumstances. The timing of any additional assessment is entirely at the discretion of teaching q0.000008866 0 594.96 842.04 r
