UNSWSCIENCE

School of Mathematics and Statistics

Course outline

MATH3560

History of Mathematics

Term 1, 2023

Staff

Course Aims

The course aims to introduce the student to important themes of mathematics from a historical perspective across a wide range of cultures. It will aim to look carefully at ancient mathematics

Course Schedule

The course will include material taken from some of the following topics. This is should only

Academic Integrity and Plagiarism

UNSW has an ongoing commitment to fostering a culture of learning informed by academic integrity. All UNSWstaff and students have a responsibility to adhere to this principle of academic integrity. Plagiarism undermines academic integrity and is not tolerated at UNSW.Plagiarism at UNSW is defined as using the words or ideas of others and passing them off as your own.

The UNSW Student Codeprovides a framework

- effectively and efficiently find appropriate information sources and evaluate relevance to your needs

Academic Skills Support and the Learning Centre

The Learning Centre offers academic support programs to all students at UNSW Australia. We assist students to develop approaches to learning that will enable them to succeed in their academic study. For further information on these programs please go to:
